Class Parent Representative

A lot of you will now be familiar with Class Parent Representatives. We ran this for the first time last year for kindy to year 1, and we have received great feedback from the reps themselves, as well as parents and teachers. So once again:

**We are seeking Class Parent Representatives for 2017
for all Kindy to Year 2 classes.**

What is a Class Parent Representative?

- Class Parent Representatives, or Class Reps, are a point of contact for parents and carers of a classroom to communicate with each other
- They distribute information from the P&C and the teachers to the parents/carers
- The class reps have assistance from a co-ordinator and from the other reps

Role of the Class Rep

- The Class Rep will need to set up and administer a Facebook group for the class
- They will make posts to their page as necessary regarding events of the classroom, such as reminders for any money due or free dress days, and establish contact by email or sms with those parents/carers who aren't members of Facebook
- The Class Reps will forward on information received from the P&C and Class Rep co-ordinator
- Class Reps are required to be members of the P&C. Attending P&C meetings is not compulsory but can be helpful for collecting and communicating information

Why be a Class Rep?

- This is a great way to meet new parents, strengthen existing relationships and to have more involvement in your child's schooling.
